## Be Our Guest...

This month we'd like to extend our heartfelt thanks to our guests. You are the reason we are here to serve and your presence allows us to fulfill the calling God has placed on our lives. We continue to rejoice each time someone comes and is able to leave with a renewed vision and refreshed in their spirit. Each individual, couple and group are unique and we appreciate the prayers of so many of you on our behalf that we will be sensitive to the Holy Spirit's leading in our lives in order to most effectively minister to each guest. We view each service we provide as an opportunity to serve Christ himself:

"Inasmuch as you have done it unto one of the least of these my brethren, ye have done it unto me."

(Matthew 25:40 KJV)

Often our schedule seems to be open, but in a matter of a short time it will be filled by those He is drawing. An article that came through our office this past Fall brought to mind again the very real condition of burnout or meltdown for those in ministry. The author shared a statistic which showed that 90% of the people who enter the ministry don't retire from that vocation but unfortunately either quit or become disqualified from serving because of moral or ethical failures! It leads us to wonder if they had taken time out to restore their relationship with Christ would the results be the same? We believe through ministering to His servants it can help many to keep on the right track and consequently reach others with the Gospel.

"Dear friend, when you extend hospitality to Christian brothers and sisters, even when they are strangers, you make the faith visible..."

It's good work you're doing, helping these travelers on their way, hospitality worthy of God himself! They set out under the banner of the Name, and get no help from unbelievers. So they deserve any support we can give them.

In providing meals and a bed, we become their companions in spreading the Truth."

(III John 5-8 The Message Paraphrase)

May God continue to "stablish, strengthen and settle you"!

(I Peter 5:10 KJV)

A recent guest shared some “buffalo humor” with us so we thought we’d pass it on...

Did you know you can form a complete sentence using only the word buffalo?

*“Buffalo buffalo Buffalo buffalo buffalo, buffalo Buffalo buffalo.”*

Explanation, if needed:

Buffalo (NY) bison (that) Buffalo (NY) bison bully, bully Buffalo (NY) bison

or in other words, “Hurt ‘bison’, hurt ‘bison’.” ☺
