"He opened for us a new
way, a living way . . ."

Hebrews 10:20

This month we celebrate the holiday of Valentines Day, which really places a focus on couples and relationships. At this time marriage according to Biblical guidelines is under attack. We believe that it is worth defending and protecting. We often have couples come for a stay with the goal in mind of strengthening their marriage. We have group retreats of husbands and wives come for the same reason.

A recent article from Focus on the Family listed several benefits of stable marriages. The stability of others strengthens us as individuals, families and our country as a whole. There is evidence to support that even our economy and education systems are positively affected by strong marriages. We encourage you to take the opportunity to strengthen your marriage and encourage others to do the same. Pastors' marriages are no exception. Possibly your pastor and his wife could use a little time away together where they can focus on each other apart from all the other ministry demands. We have gift certificates available if you would like to send them to Buffalo Ridge for a stay.

To purchase a certificate, please call or email our office.

Thank you from the bottom of our

- ♥ To those veterans who have generously donated funds toward raising the flagpole and purchasing accessories.
- ♥ To Clear Creek Baptist Church for graciously giving to cover the cost of a new stove and then some. The stove is now ready for pick-up and we have already purchased about half of the new pillows needed.
- ♥ To the many folks who kindly and generously gave donations at the end of last year. We have been able to use part of those resources to repair some maintenance problems that seemed to happen all at once.© In the Farmhouse we needed to replace a water faucet and a portion of our water filtration system there. We also had to replace the control panel for our heater in the Loft. Although these were unexpected to us, the Lord knew and He used you to supply the need!

Thank you!
