“He opened for us a new  
way, a living way . . .”

Hebrews 10:20

“Welcome to our village...”  
At least that is what these students  
were hoping to hear as they arrived  
at their destination.

A recent group we hosted  
was a missionary training  
session by a “blue collar”  
missions organization. They  
transformed a section of our  
property into a  
village simulation  
where the students  
were able to get  
some first hand  
experience of  
what a missionary  
might encounter on the field.

As you can see from the photos they truly “roughed it”, especially since we have had a brutally hot summer. They started out with a hike to find the village and then experienced everything from ethnic foods to unusual cultural customs and how to put them into practice appropriately. According to their director, they successfully completed the challenge. Lord willing, all will go on to share the gospel more effectively as a result of their time and training here. Thanks to our faithful supporters who regularly give and pray that we may continue to serve those in ministry and as a result have a part in reaching others for Christ. God bless you!

**Please remember His Way Ministries  
in your estate planning.  
Thank you!**

We want to encourage you in this critical election year to be sure to pray and vote. As a nonprofit organization we need to have government officials that will stand for Christian principles so that we and other Christian organizations can continue to minister freely.
