"He opened for us a new
way, a living way . . ."

Hebrews 10:20

This month we would like to take the time to thank you personally for being involved with Buffalo Ridge. We appreciate all your support whether it's through prayer, financial gifts or encouraging words. We are blessed by them all.

Proverbs 29:18 is at the fore front of my mind right now. "Where there is no vision the people perish." The New Century Version puts it this way, "Where there is no word from God, people are uncontrolled" My desire here is to cast for you our vision of the direction for Buffalo Ridge. Since its inception in 1970 in California, His Way Ministries' goal has been to reach out and minister to people which continues to be the goal after relocating to Kansas and establishing Buffalo Ridge Hospitality and Retreat Center. People continue to be our first priority as we continue to serve those in ministry. Pastors, pastors' wives, pastors' families, missionaries, church leaders and small group leaders have all come here this year to be strengthened, refreshed and restored. They find renewed courage, insight, peace and a calm spirit which they in turn take back and use as they minister to others.

"The facilities and service were excellent. It allowed us to have focused time on the Bible without daily distractions."

Thank you!

Thank you!

P.S. I plan on calling you soon to set up a trip with my family.

We have a thriving ministry which encourages us for the future. This past year we doubled the number of day retreat groups and saw an increase in the overnight guest stays of about forty per cent. Also we have seen groups staying for longer periods of time. Some are returning guests, but many have come to Buffalo Ridge for the first time. We have already begun booking dates for the new year!

Our facility expansion plan is moving along as well. This summer we dismantled the old mobile home, salvaging anything that could be of future use. We are now in the process of finalizing plans for the restroom/cabin facility. We are grateful to those who have already given toward this project but we still have considerable funds to raise before we can actually start on construction. Any gifts would be greatly appreciated. We have a couple smaller scale projects that we plan to complete this year. The drainage ditch by our main entrance needs some repair and we plan to repaint the interior of our "Farmhouse" guest house this summer. Both these projects will enlist the help of volunteers. Praise the Lord for volunteers! It truly takes the efforts of many for Buffalo Ridge to be an effective ministry. We are asking you to prayerfully consider what your part should be in the ministry of Buffalo Ridge this year. May God bless you!
